202.01 DESIGNATION; CITATION; HEADINGS.

(a) This volume consists of all ordinances of a general and permanent nature of the Municipality, revised, codified, arranged, numbered and consolidated into component codes, titles, chapters and sections, and as such shall be known and designated as the Codified Ordinances of Litchfield, Michigan, 2000, for which designation "Codified Ordinances" may be substituted. Code, title, chapter and section headings do not constitute any part of the law as contained in the Codified Ordinances.

(b) All references to codes, titles, chapters and sections are to such components of the Codified Ordinances unless otherwise specified. Any component code may be referred to and cited by its name, such as the "Traffic Code." Sections may be referred to and cited by the designation "section" followed by the number, such as "Section 202.01."

202.02 AMENDMENTS AND SUPPLEMENTS; NUMBERING.

(a) The Codified Ordinances of Litchfield may be amended or supplemented at any time and, when any amendment or supplement is adopted in such form as to indicate the intention of Council to make the same a part thereof, such amendment or supplement shall be incorporated in, and deemed a part of, the Codified Ordinances, so that a reference to the Codified Ordinances shall be understood and construed as including the Codified Ordinances of Litchfield and any and all such amendments and supplements.

(b) All amendments and supplements enacted as a part of the Codified Ordinances shall be integrated therewith by following the form of arrangement and plan set forth in the original Codified Ordinances as follows: each Code shall be subdivided into titles and/or chapters, and each chapter shall be subdivided into sections, which shall be numbered in accordance with the decimal numbering system. The numbering of all sections, except penalty sections, shall be consecutive within each chapter commencing with the first section of Chapter 202, which shall be numbered 202.01, the first "2" signifying Code 2, and the two figures "02" before the decimal signifying the chapter within the Code, and the two figures "01" after the decimal signifying the first section in Chapter 202 of the Code. Penalty sections shall be designated "99" and shall be the last section of a chapter.
